STILL NOT CONVINCED?

Why you should invest into the AMICUS® SMART CELL.

REASON 1 – CONTINUOUS PRODUCTION

Reliable. Steady. Efficient.

Our packaging machine keeps your production running smoothly – without interruptions.

REASON 2 – HEALTH & SAFETY FOR YOUR EMPLOYEES

Applying bags by hand is dangerous, dirty, and boring. The AMICUS will improve the working conditions of your employees by elimination a danger zone, removing them from dust-intense area.

REASON 3 – PRODUCE IN MINIMAL SPACE

One AMICUS SMART CELL. Four steps. Endless efficiency. Our compact system takes care of bagging, filling, sealing, and palletizing – all in the smallest possible space.

REASON 4 – FOCUS ON YOUR CORE COMPETENCIES

Less manual work, more meaningful impact. Our packaging system takes care of the routine – so your team can concentrate on what really matters.
